LEADERSHIP

PDEU a Temple of Knowledge

I have always regarded PDEU as a sacred shrine, from where I became President in 2007. Therefore, coming here is like pilgrimage to me, And seeing each one of you, seeing the energy of the students, and seeing this temple of knowledge grow has brought the highest amount of satisfaction not only to me, but to the entire board.

Years ago, I made a promise to the Prime Minister that PDEU would nurture world class talent to power India's Energy ambition and I feel the promise is fulfilled.

Dr. Mukesh Ambani
Founder President, PDEU
13th Convocation address

Shri Hasmukh Adhia, IAS (Retd.)
Vice Chairman
Board of Governors

Smt. Anita Karwal, IAS (Retd.)
Chairperson
Standing Committee

Prof. S. Sundar Manoharan
Director General

TRANSFORMATION OF PDEU TO PDEU

"I am glad to see PDEU is creating its own identity, not just in the country but also in the world. And iam very proud to see that this university is far ahead of its time. In the last one and a half decade, the PDEU has expanded in many spheres, including the energy spectrum, besides the petroleum sector. Given the progress of PDEU today, i would request the Gujarat Government to rename it from Petroleum University to Energy University by amending laws."

SHRI NARENDRA MODI, Hon'ble Prime Minister of India
(8th Convocation Address of Pandit Deendayal Petroleum University)

Mess Charges without Hostel (Per Year)	₹ 35,500	

*Admission Process and Fee Subject to change. The RBI Foreign Exchange Rate will be declared while announcing the merit.

Social and Rural Internship (SARI)

The Social and Rural Internship (SARI) was conceptualized by the School of Liberal Studies (SLS) at Pandit Deendayal Energy University (PDEU) as a pioneering initiative to take learning beyond conventional academic boundaries and into the heart of rural India. Designed to immerse first-year undergraduate students in real-life community experiences, the program gives young learners a chance to understand the socioeconomic fabric, challenges, and strengths of rural society. By placing students with grassroots organizations across Gujarat, the Rural Internship enables them to observe and participate in developmental activities related to education, women's empowerment, agriculture, health, sanitation, and sustainable livelihoods, lifesaving skills / first-aid & disaster-management. What began as a bold experiment in experiential education has now evolved into a transformative journey that shapes students into sensitive, socially aware, and responsible citizens. Through this initiative, PDEU encourages students to replace classroom assumptions with on-ground realities, thereby laying the foundation for empathy-based leadership and nation-building.

2024- 25

Total 531 students

2025-26

Total 690 students

CORPORATE INTERNSHIP

Students are encouraged to apply their Scholastic Learning and Research Training in solving Business, Political, Economic and Cultural Challenges through corporate and development internships in India and abroad. In the process, students gain invaluable Exposure, Work experience, Maturity and Confidence.

Media & Psychology Labs

Exposure to NCC

PDEU is the pioneer to introduce NCC as a mandatory course for 1st year students.

Objectives of NCC:

- Promotion of social messages
- Disaster Management
- Nation Building
- Swachh Bharat Abhiyan
- Aatmanirbhar Bharat

Office of International Relations

The Office of International Relations (OIR) at PDEU actively promotes global engagement through academic, research, and industry partnerships across 25+ countries, creating international learning and collaboration opportunities for students and faculty.

PDEU supports students presenting research papers at international conferences in countries including Germany, Japan, Singapore, the USA, UAE, China, Australia, and the UK.

Students and alumni pursue Higher Studies at Global Universities across the USA, UK, Australia, Europe, UAE, and APAC, including Ivy League, Oxbridge, and Russell Group universities.

PDEU offers Study in India (SIP), training, and capacity-building programs, including short-term courses for international students from countries like the USA, Canada, Australia, and Bhutan, featuring lectures, workshops, cultural activities, and industry visits.

Students can opt for Semester Abroad Program in universities like the University of Miami and Edith Cowan University, gaining global academic and cultural exposure.

International Exposure Programme (IEP): Provides global exposure through academic, cultural, and industry collaborations with top universities in the USA, UK, Australia, Canada, UAE, Singapore, and APAC, offering international classroom and cross-cultural learning experiences.
